We know and trust the attendant; there is a certain relationship of authority between our child and the attendant. The attendant have got enough educational authority to set limits to our child (especially concerning alcohol intake). We also made an agreement with the attendant, when and how our child will be back home again.

It's allright with us, too, that our child is attending the open air event „Way Of Darkness Festival“ in Lichtenfels at the above mentioned dates. We are aware, that both our minor child and the person we authorized with parental duties must be able to identify theirselves in case of controls.

For poss. queries we will be available at \_\_\_\_\_ under \_\_\_\_\_.
